

ACRONYMS

ABS	acrylonitrile butadiene styrene
AHJ	authority having jurisdiction
ACR	air conditioning and refrigeration
ANSI	American National Standards Institute
BFS	block flue switch
BHP	boiler horsepower
CAPS	combustion air proving switch
CEC	Canadian Electrical Code
cfm	cubic feet/minute
CPVC	chlorinated polyvinyl chloride
CSA	Canadian Standards Association
DFMAH	direct-fired make-up air heater
DWV	drain, waste, vent
FARC	fuel/air ratio control
FLA	full load amps
HGPS	high gas pressure switch
HWA	high water alarm
I.D.	inside diameter
IR	infrared
LGPS	low gas pressure switch
L/HGPS	low/high gas pressure switch
LP	liquid propane
LWCO	low water cut-off
NBC	national building code
NPS	nominal pipe size
O.D.	outside diameter
OHS	Occupational Health and Safety
OSHA	Occupational Safety and Health Administration

ACRONYMS

PID	proportional integral derivative
POC	proof of closure
PPE	personal protective equipment
ppm	part per million
psi	pounds per square inch
psia	pounds per square inch absolute
psig	pounds per square inch gauge
PTFI	pilot trial for the ignition
QNFT	quantitative fit test
rpm	rotations per minute
RTV	room temperature vulcanizing (silicone)
scfm	standard cubic feet/minute
spr	seconds per revolution
SSOV	safety shut-off valve
USWG	U.S. water gallon
UV	ultraviolet
VAC	Volts/Alternative Current
VDC	Volts/Direct Current
VFD	variable frequency drive
VPS	valve proving system
w.c.	water column
WHMIS	Workplace Hazardous Materials Information System
